*"The entrance of thy words giveth light; it giveth understanding unto the simple." Psalm 119:130*

If you were to die today, do you know for sure where you will spend eternity? Is it Heaven or Hell? You hope it will be Heaven, but this is the most important question that you need to answer while you are still alive. God loves you - He wants you to know for sure that you can be saved from the eternal condemnation of Hell. God's wonderful salvation plan is as simple as A-B-C:

**ADMIT** that you are unrighteous and a sinner (Romans 3:10; 3:23) and realize that you do not deserve to go to Heaven (1 Corinthians 6:9). Because of this condition, you deserve God's righteous judgment and you are headed to an eternity of torments in Hell, which the Bible calls "the second death." (Romans 6:23, Revelation 20:14, 15).

**BELIEVE** and understand the good news of what God has done; because God loves you, He provided the only way to save you from suffering eternal torments: "that Christ died for our sins and that he rose again the third day according to the scriptures:" (1 Corinthians 15:1-4). Yes, we can become righteous through God's Son, Jesus Christ (2 Corinthians 5:21). Because of what He did, you can be saved.

**CONFESS** with your mouth the Lord Jesus; be willing to repent (Acts 17:30) and ask Him to save your soul (Romans 10:13) by personally receiving God's gift of eternal life (Romans 10:9-10), then you can have the righteousness of Christ at this very moment (Romans 10:4).

**Please do not take a chance. Physical death only happens once, then the judgment (Hebrews 9:27). The most important decision that you will make is to trust Jesus Christ by faith and receive Him into your heart as your personal Savior. In prayer, ask Jesus to forgive you and believe that His precious blood already washed your sins away. Will you invite Jesus Christ as your Lord and personal Savior right NOW?**

*Call and let us know of your decision. We would like to give you some free information on the Christian life.*
